Fatally Burned.

Ivan Burrows the six year old step son of John Seoble, an employee of the Wailuku Sugar Co., was fatally burned last Wednesday by the upsetting of a candle in his room. The child had been in the habit of getting up early at the same time as a roomer but on this particular morning remained in bed later than usual.

It is supposed that the child was playing with the candle which had been left burning. The boy's mother who was out in the yard heard the child's cry and ran to his assistance, and managed to extinguish the blaze after the child's left side had been severely burned. Every assistance was rendered but on Friday evening the young son passed away, and was buried Saturday.
